DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby ^{DENY}~~grant~~ the same, subject to the following limitations and conditions:

Due to the facts and conditions stated in the State Engineer's report to the State Registrar of Lands concerning Carey Act Applications in Mason Valley, this application is herewith denied on the grounds that the appropriation of additional ground water for irrigation and use of the water applied for and requested from the area described in this application will tend to impair the value of existing rights and be otherwise detrimental to public interest and welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed.....cubic feet per second.....

Actual construction work shall begin on or before.....

Proof of commencement of work shall be filed before.....

Work must be prosecuted with reasonable diligence and be completed on or before.....

Proof of completion of work shall be filed before.....

Application of water to beneficial use shall be made on or before.....

Proof of the application of water to beneficial use shall be filed on or before.....

Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed.....

Completion of work filed.....

Proof of beneficial use filed.....

Cultural map filed.....

Certificate No.....Issued.....
